CAREER OBJECTIVE

Junior Frontend Developer with experience delivering **5+ frontend and 5+ full-stack web applications** using **React.js, Next.js, Node.js, Express, and MongoDB**. Experienced in **UI/UX optimization, responsive web design, REST API integration, and Agile collaboration**. Developed **high-performance, user-focused web applications** and contributed to projects from design to deployment.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+)

Frameworks: React.js, Next.js, Node.js, Express.js, Tailwind CSS

Database & Tools: MongoDB, Firebase, GitHub

Deployment: Vercel, Netlify

Soft Skills: Teamwork, Communication, Time Management, Problem-Solving

PROJECTS

1. Fureverly - PetCare community-driven platform

[Live Link](#) | [GitHub Repo](#)

- Built a full-stack MERN platform connecting pet owners, breeders, and shops to list pets and sell products.
- Users can **order pets, pet care products, and food**.
- Order information can be **downloaded as a PDF** with a single click.
- Technologies: **React.js, TailwindCSS, Node.js, Express.js, MongoDB, Firebase, and Framer Motion**.

2. Hero IO – Modern App Discovery Platform

[Live Link](#) | [GitHub Repo](#)

- Built a clean, responsive platform for discovering trending apps, searching by name, viewing app details, and managing installed apps.
- Installed apps can be managed (view, uninstall, sort) using **Local Storage** for persistent data.
- Features include trending apps, fast search & filtering, app ratings, download counts, and an install button.
- Technologies: **React.js, Tailwind CSS, Axios, Recharts**

3. Taxi Kitchen Hub – Restaurant Order Management System

[Live Link](#) | [GitHub Repo](#)

- Built a simple restaurant order workflow where waiters can add customer orders with one click, send them to the kitchen, and track progress through Pending → Cooking → Ready stages.
- **Designed** an interactive kitchen dashboard where staff can mark orders as **Cooked** and ready to serve, improving order visibility and efficiency.
- Technologies: **React.js, Vite, Tailwind CSS, DaisyUI, React Toastify, React Spinners, Lucide React**

EDUCATION

Kabi Nazrul Govt College, Dhaka

BA in Islamic History and Culture, 2024 - Present

LANGUAGE

Bengali - Native | English - Intermediate | Hindi - Intermediate
